Plebeians, money, slavery: the story of the northern expansion. "I wanted to write a book about the North, the part of our country where people have a hard time understanding our history. To write this book, I wanted to explore the reasons why so many people believe the South won the Civil War. I set out to help people understand the war as it really happened". by Pazziello C.L., Bucci L.N., Cinquini F.S., Palli F.B., Cecotti A., Torre C. (2009). Narrative.
